

How to Use the Viewer

Make sure your speakers are on and the volume is up

View the module outline. You can skip to the module you want.

The screenshot shows a presentation viewer window titled "New Employee Benefits Orientation_072108 (00:05/30:58)". The interface includes a sidebar on the left with a table of contents, a main slide area, and a bottom control bar. The sidebar lists 24 topics, with "1. Health and Insurance Overview" selected. The main slide area displays the title "New Employee Benefit Orientation" in yellow on a blue background, followed by "Health and Insurance Overview" in large blue text, and "Department of Administrative Services Human Resources Enterprise" in smaller black text. The bottom control bar shows "articulate" branding, "SLIDE 1 OF 11", "PLAYING", a progress bar at "00:05 / 00:10", and navigation buttons for previous, play/pause, and next slides. A "DAS" logo is visible in the bottom right corner of the slide area.
